MEMORANDUM FOR: Chairman, CSPB Support Committee

SUBJECT: CI Staff Operational Program, FY 1956 and 1957

1. Subject program states no requirements for training support. The additional manpower requirement for FY 1956 and 1957 as compared to 1955 on-duty strength is so small, two in number, that no special training support problem is apparent.

2. In the event that requirements exist for specialized and advanced training of on-duty personnel under CI Staff direction, it is requested that they be forwarded to the Office of Training as soon as practicable.
